Anthelio Healthcare Solutions, the largest independent provider of technology and services to hospitals, physician practice groups and other healthcare providers, received the highest scores in the coder quality metric, 4.5 out of 5, in the recent KLAS report: “Outsourced Coding 2014: Do You Have Enough Resources For The ICD-10 Transition?”

“Our global certified coders know and understand that the quality of how they code impacts patient care outcomes. It’s exciting to receive the highest score in coder quality by KLAS. Our coders take great pride in maintaining the highest level of customer satisfaction,” said [Asif Ahmad, CEO](#) Anthelio Healthcare Solutions.

According to the KLAS report, providers rave about Anthelio’s productivity, and many see Anthelio as a partner. Anthelio is the only company that is rated above the category average in all four metrics – productivity, quality, reporting and quality assurance. The report also mentions that Anthelio delivers great detail such as the coder’s name, productivity, and accuracy and provides good tracking functionality in consistent, unsolicited reports.

The report contains several comments from healthcare professionals and clinicians in the industry about Anthelio Healthcare [outsourced global coding services](#). The following are commentaries that may not represent the whole of provider sentiment related to this service. KLASresearch.com provides a complete view.

“Anthelio Healthcare is really prompt. Their turnaround times are always within 24 hours, and sometimes the charts are done the same day.” - Director, Collected by KLAS Jan. 2014. KLAS Enterprises LLC.

“We have audits done. Anthelio Healthcare’s quality is very high up there. I think the coding-quality goal within our organization is 95%, and I think that Anthelio Healthcare is at about 98%.” - CFO, Collected by KLAS Feb. 2014. KLAS Enterprises LLC.

“Anthelio Healthcare is our go-to vendor for supplemental coding services. Their management listens and responds to my needs. They understand what our future will be, and they want to be part of it. They support us in actually bringing things back in-house, and if we trip and stumble, I know that I can ask them for some extra resources.” - Director, Collected by KLAS Jan. 2014. KLAS Enterprises LLC.

“Anthelio Healthcare is definitely ahead of the game for ICD-10. They have been ahead for about four years now, so their staff training is very good.” - Manager, Collected by KLAS Jan. 2014. KLAS Enterprises LLC.

“Anthelio Healthcare is very aware of HIPAA regulations and follows those to a tee.” - Director, Collected by KLAS Jan. 2014. KLAS Enterprises LLC.

“Our customers are the bedrock of our [business](#). The comments from our customers are humbling and align to our long-term goal of providing sustainable value to our clients. It is clear that our onshore and offshore certified coders are ready to transition providers to ICD-10,” said Asif Ahmad.

Anthelio Healthcare Solutions was recently [the only ranked vendor in the area of Outsourced Coding Services](#) in the “2013 Best in KLAS: [Software](#) and Services” report.
