DALLAS, Jan 21, 2014 (BUSINESS WIRE) -- Anthelio Healthcare Solutions, the largest independent provider of technology and services to hospitals, physician practice groups and other healthcare providers, announced the appointment of Suresh Ramani, India Country Head.

Suresh brings over 25 years of business experience gained through working for global clients. "His deep operational expertise in managing large employee groups in both onshore and offshore environments will be critical to our global healthcare offerings," said Asif Ahmad, CEO of Anthelio.

Suresh worked in multiple industries, including Banking and Financial Services, Healthcare, and Travel, Transportation and Hospitality. He has managed service delivery from multiple geographies, most recently with Intelenet Global Services as President / Chief Operating Officer, North America. Prior to that, Suresh worked at MSource Corporation, GE Capital International Services ANZ Grindlays Bank, and Citibank, NA in a variety of roles.

"Suresh has the right mix of healthcare experience and business acumen to provide the leadership required to ensure our global strategy is carried out successfully," said Asif Ahmad. Anthelio's offshore Health Information Management services are HIPAA compliant and certified by ISO for quality, security and IT service management. "I am confident that under Suresh's leadership our offshore HIM department will continue to exceed the norms prescribed in the customer Service Level Agreements accuracy of over 95 percent," said Ahmad.

"I feel extremely excited to be a part of Anthelio especially at a stage when the organization is making sizable investments in building a customer centric, innovative and global organization. In the coming months, I am sure we would build a solid presence in India similar to what we have achieved in the US," said Suresh Ramani.

Suresh completed a Bachelor of Commerce at Delhi University, New Delhi, and a Management Development Program at Indian School of Business, Hyderabad.

About Anthelio

Anthelio is the largest independent provider of technology and services to hospitals, physician practice groups and other healthcare providers.
