Anthelio[®] Launches new Vision, Mission and Values to establish a unified identity for the organization

Dallas, Texas, October 23, 2013 — Anthelio Healthcare Solutions, the largest independent provider of technology and services to hospitals, physician practice groups and other healthcare providers today announced the launch of its new vision, mission and values. The new branding, unveiled by Anthelio's CEO, Asif Ahmad, reflects Anthelio's growth strategy, which is focused on providing sustainable value to customers, patients, and communities.

The vision is clear. Anthelio aims to be the recognized leader in technology and services by solving complex clinical and business problems in the healthcare community. Providing a full complement of innovative healthcare solutions, enabled through highly integrated technology platform that's powered by skillful people, is at the forefront of Anthelio's mission. The launch of a new set of values: operational prowess, innovation and service excellence; ensures that the organization is culturally aligned to move to the next level in the ever-evolving healthcare industry.

Commenting on Anthelio's rebranding, Anthelio's CEO, Asif Ahmad, said, "This is an exciting time for Anthelio -- a reinvention. Anthelio is not just a healthcare technology company but we are in the business of patient care. Our brand identity represents that our company is powered by people with deep clinical expertise who are dedicated to promoting innovative and cutting edge solutions in order to provide the maximum value to our customers. The launch represents our commitment to evolve into a leading healthcare company."

About Anthelio

Anthelio is the largest independent provider of technology and services to hospitals, physician practice groups and other healthcare providers. Anthelio is the only healthcare services company that has "end-to-end" services expertise, including IT, service desk, patient portal, EMR implementations, data warehousing, clinical analytics, clinical transformation, coding, ICD-10, transcription and revenue cycle services. Enabled through a highly integrated technology platform powered by skillful people, Anthelio drives high value for healthcare organizations by solving complex clinical and business problems while enabling delivery of high quality patient care. Anthelio is an icon of innovation, operational prowess and service excellence in healthcare, serving hundreds of health organizations and touching millions of patients across the U.S. Anthelio is headquartered in Dallas, Texas and has over 1,500 technology and clinical professionals. www.antheliohealth.com
